

SAFETY DATA SHEET

AVOCA HAND WASH.

SECTION 1: Identification of the substance/mixture and of the manufacturing company.

1.1 Product identifier

Trade Name: Avoca Handwash

Product code: LS056 & LS099

1.2 Identified use of the mixture

Intended use: Hand wash

1.3 Details of the Manufacturer

Company: John Drury & Co Limited (Bedforth, trading division)
28 River Street
Brighouse
West Yorkshire
HD6 1NJ

Telephone: 01484 714461

1.4 Emergency telephone number: 07803246981

SECTION 2: Hazards Identification.

2.1 Classification of the substance or mixture:

This product is not classified as hazardous in accordance to EU Directive 1999/45/EC

2.2 General information:

Eye contact: Irritating to eyes

Skin contact: Possible skin irritant on broken or damaged skin

Inhalation: Non-hazardous

Ingestion: May cause nausea and vomiting.

2.2. Label Elements:

Label in accordance with Cosmetic Safety Regulation EU Regulation (EC) No 1223/2009.

Keep out of reach of children.

Avoid contact with eyes, if contact occurs, rinse immediately with clean water.

SECTION 3: Composition and information on ingredients.

3.1 An aqueous solution of anionic and non-ionic surfactants with fragrance and preservative.

3.1 Hazardous ingredients:

Chemical name	CAS-No	Concentration (%w/w)
Sodium Laureth Sulphate	68891-38-3	3 - 6

SECTION 4: First Aid measures.

4.1 Description of First Aid measures.

General advice: There are no hazards which require special first aid measures.
If symptoms persist or in all cases of doubt seek medical advice.

Inhalation: Not a hazard in normal use.

Skin Contact: Not hazardous under normal use. Any irritation on damaged or open skin is transient.

Eye Contact: Irrigate with clean water for at least ten minutes. Irritation should be transient.

Ingestion: Do not induce vomiting. Rinse mouth with water and drink milk or water.

SECTION 5: Firefighting measures.

5.1 Suitable Extinguishing media: Use media appropriate for surrounding fire.

Unsuitable extinguishing media: None

5.2 Specific hazards: None

5.3 Hazardous combustion product: Carbon oxides and smoke.

5.4 Advice to fire fighters: Wear self-contained breathing apparatus if smoke is excessive.

SECTION 6: Accidental release measures.

- 6.1 Personal precautions: Floors may be slippery following spillage.
- 6.2 Environmental precautions: Do not allow large quantities to enter land drains
Contact the environment Agency if large quantities are released to the environment.
- 6.3 Clean up and removal. Soak up in absorbent material and place in a suitable container for disposal.
-

- 7.1 Safe Handling precautions: No special precautions required.
Handle in accordance with good industrial practice.
- 7.2 Conditions for safe storage: Keep in properly labelled containers.
Keep containers tightly closed.
Store below 40°C away from heat sources.
Store in accordance with good industrial practice.
-

SECTION 8: Exposure Controls / Personal protection.

8.1 Ingredients with workplace control parameters:

Ingredient	CAS No	Value type	Permissible concentration	Basis
None				

8.2 Exposure Controls.

Personal Protective Equipment:

Eye protection: Not required under normal use.

Hand protection: Not required under normal use.

Respiratory protection: Not normally required.

Other protective measures: Not normally required.

SECTION 9: Physical and Chemical Properties.

Appearance: Clear, Blue coloured, viscous liquid.

Odour: Distinctively perfumed.

Physical State: Liquid.

pH Value: 3.0 to 5.0

Boiling Point: Not determined. Expected to be around 100°C

Flash point: N/A

Auto ignition temp: N/A

Relative density: 1.02 to 1.04 g/cm³

Solubility in water: Fully soluble in all proportions.

SECTION 10: Stability and reactivity.

Reactivity: Not classified as a reactivity hazard.

Chemical stability: Stable under normal conditions

Possibility of hazardous reaction: Considered stable.

Conditions to avoid: Extremes of temperature.

Incompatibilities: Oxidising agents

Hazardous decomposition products: No hazardous decomposition products are known.

SECTION 11: Toxicological information.

- 11.1 Information on toxicological effects:
Not classified based on available information.
- 11.2 Information on ingredients:
Cosmetic grade raw materials, assessed as safe in the CPSR.
- 11.3 Skin corrosion/irritation:
Not classified based on information available.

11.4 Eye damage/eye irritation:

Product: May cause transient eye irritation.

11.5 Respiratory sensitisation.

Not classified based on available information.

Product: Does not cause respiratory sensitisation.

11.6 Genotoxicity.

Not classified based on available information.

Product: Does not cause genotoxicity.

11.7 Carcinogenicity.

Not classified based on available information.

Product: Not a known carcinogen.

11.8 Reproductive toxicity.

Not classified based on available information.

Product: Not a known to effect reproduction.

SECTION 12: Ecological Information.

This product is routinely released to domestic sewer system in normal use. No adverse results will be caused and the product is not considered harmful to aquatic organisms, nor is it expected to produce long term adverse effects in the environment; contains surfactants that satisfy the biodegradation requirements of directive 648/2004/EC.

SECTION 13: Disposal considerations.

13.1 Waste from residues: Dispose of in accordance with local regulations and byelaws.

13.2 Contaminated packaging: Can be recycled with general waste.

SECTION 14: Transport information.

14.1 UN Number: Not assigned.

14.2 Proper shipping name: N/A

14.3 Transport Hazard Class: None

14.4 Packaging group : N/A

SECTION 15: Regulatory Information.

This product has been assessed according to EU Cosmetic Regulation No 1223/2009 and has been designated as safe to use in the stated application.

SECTION 16: Other Information.

The information and recommendations contained in the Safety Data Sheet represent, to the best of our knowledge and belief, an accurate and reliable representation of the known data for this preparation at the date of issue. The information is intended only as guidance for the safe handling, use, processing, storage and accidental release of the product and is not intended to be construed as a warranty or specification. It is the responsibility of the user to evaluate this information in a prudent manner and to apply the information to their particular circumstance and purpose.
